

# UTGX Series

Ruggedized connectors for harsh environments

## A versatile, ruggedized connector for industrial applications

Waterproof, shock-proof and UV resistant, the UTGX series can withstand continuous underwater immersion, routine pressure washing, dirt and dust and other harsh conditions. Ideal for both indoor and outdoor applications with a lifespan of up to 27 years in-application, the UL/IEC certified UTGX series connectors are a safe and reliable solution.

- Lifespan of up to 27 years in industrial environments by qualification according to **ISO21207 - Method B / 5 cycles**
- **UL 1977 (ECBT2 / ECBT8)** qualified & **IEC61984** certified
- Outdoor use qualified according to **UL50/UL50E level 6P** & shock-proof certified up to **IK07 according IEC 62262**
- Waterproof: IP68/69K dynamic mated (and unmated for Hi-Seal versions)
- 5 years resistance to UV exposure: **F1 material according UL746C.**
- 500 mating cycles
- RoHS and REACH
